## 1. What is your education background?

I graduated with a Master Degree of International Marketing in Strathclyde, Scotland.

## 2. Why did you choose Amphenol LTW for your first job?

The reasons why I have chosen ALTW is because of the industry and product applications. Plus, the working environment is open and comfortable. As a fresh graduate, I didn't have working experience but ALTW gave me my chance to develop my potential.

## 3. To you, which assets are required to succeed at Amphenol LTW?

To me, having good communication skills, being confident and well-organized are important assets.

## 4. What did your added value bring to ALTW?

I would say my strong ability to analyze and my creativeness helped to achieve some goals.

## 5. What is the most exciting project you have worked on?

The most exciting project I worked on is the Light & Building Exhibition in 2018. I was responsible of booking the stand, preparing the booth and samples.

## 6. How this experience can benefit you personally & professionally?

It is helping me to strengthen my multi-task ability and improve effectiveness. Professionally, I know and understand better my customers thanks to market and customer analysis.

## 7. Why would you recommend to work here to Fresh graduate and others?

Be a part of ALTW has many advantages like having trainings, being supported by managers, working with kind colleagues and afternoon tea time together every month.
